

## Mission, vision, our values

### Our mission

We are supporting fairness Justice, through our high-quality, impartial and reliable forensic examinations.

### Our vision

We are internationally respected forensic science institute with the focuses on constant development, co-operation and scientific research.

### Our values

Our values represent those of the institute as a whole and are rooted in human values:

- honesty;
- professionalism;
- reliability;
- development; and
- cooperation.

### We respect:

- the law;
- all other people;
- our profession;
- ourselves.

### We are professional:

- with our attitude and actions;
- with acquisition of new knowledges and planning the personal career;
- with committing to the results and achieving the goals.

### You can rely on us because we are:

- competent;
- fair;
- impartial;
- dutiful;
- confidential.

### In our development we:

- search for the truth and for what is right;
- are creative and curious;
- have the courage to make decisions which look to the future;
- make changes to life which bring added value.

### In our cooperation we value:
